

One Year Plan

Read or Listen to the Bible in Chronological, Historical Order

Schedule by Yvon Prehn
www.bible805.com

This reading schedule is different than the order of books in most Bibles.

First, you will notice Psalms and Proverbs are scheduled to be read along with the daily readings instead of as whole books in the middle of the Bible.

These books were not one continuous book when they were first written, but collections of similar materials written by numerous authors, in some cases hundreds of years apart, so reading at scattered times does not break any chronology. In addition, I thought daily praise or practical advice would go well with the sometimes difficult to get through prophetic and historical readings.

The order of the primary, chronological readings is mostly as close as possible to either when the events took place or when the audience first heard them (as it is with Chronicles, though it covers earlier events, it was probably the last book written in the Old Testament).

If you'd like a more detailed explanation of why I placed the various readings where I did, go to www.bible805.com. There you will also find links to podcasts, blogs, printables, eBooks, videos, and other resources that go with the readings and that will help you get to know, trust, and apply the Bible.

**All Scripture is inspired
by God and is useful to
teach us what is true and
to make us realize what
is wrong in our lives.
It corrects us when we
are wrong and teaches us
to do what is right.
God uses it to prepare
and equip his people to
do every good work.**

2 Timothy 3:16-17, NLT

**The primary purpose of
reading the Bible is not to
know the Bible but to
know God.**

For all those words which were written long ago are meant to teach us today; that when we read in the scriptures of the endurance of men and of all the help that God gave them in those days, we may be encouraged to go on hoping in our own time.
